

CONTENTS

SYMPOSIUM ON ANESTHESIOLOGY AND CLINICAL PHARMACOLOGY

- Preface. *Charles C. Tandy* 111

HISTORICAL NOTE

- Claude Bernard and Anesthesia. *Chauncey D. Leake* 112

EDITORIAL VIEWS

- Anesthesiology and Clinical Pharmacology. *J. Richard Crout* 114
 The Anesthesiologist and His Position in Clinical Pharmacology.
John H. Moyer 116
 The Role of the Anesthesiologist in Academic Clinical Pharmacology
 Programs. *Leon I. Goldberg* 118

SPECIAL ARTICLE

- Clinical Pharmacology and the Anesthesiologist. *Werner Flacke* 120

SYMPOSIUM ARTICLES

- Comparative Evaluation of New Inhalation Anesthetics. *Wendell C. Stevens and Edmond I. Eger, II* 125
 Comparative Analysis of Intravenous Anesthetics. *John W. Dundee* 137
 Evaluation of New Neuromuscular Blocking Agents. *Joannes H. Karis and Aaron J. Gissen* 149
 Comparative Clinical Pharmacology of Local Anesthetic Agents. *Benjamin G. Covino* 158
 Physiologic and Pharmacologic Studies in Human Volunteers. *Harry Wollman and Robert D. Dripps* 168
 Introducing a New Drug into Clinical Practice. *William B. Abrams* 176
 Metabolism of the Volatile Anesthetics. *Ellis N. Cohen* 193

TECHNICAL NOTE

- Solubilities of Ethylene, Cyclopropane, Halothane and Diethyl Ether in Human and Dog Blood at Low Concentrations. *Alan L. Cowles, Harold H. Borgstedt, and Alastair J. Gillies* 203

BIOPHYSICAL NOTE

- The Molecular Freedom of Halothane in the Mixed Hydrate of Halothane and H₂S. *B. A. Cornell and G. J. F. Troup* 212

CLINICAL WORKSHOP

- The Effect of Nitrous Oxide on Halothane Output from Fluotec Mark 2 Vaporizers. *Robert K. Stoelting* 215
 Pneumotachography by the Ionization Principle—A New Approach. *S. Jeretian, L. R. Martinez, I. P. Tang, and Y. Ito* 218
 Intravenous Regional Anesthesia for Sequential Operations on Two Extremities. *Eli M. Brown, Barry G. Smiler, and Milford E. Wenokur* 223
 Cerebrospinal-fluid Pressure during Dissociative Anesthesia with Ketamine. *Albert E. Gardner, Barry E. Olson, and Monte Lightiger* 226
 Case Report. Alarming Reactions to Ketamine in Patients Taking Thyroid Medication—Treatment with Propranolol. *Joel A. Kaplan and Lee H. Cooperman* 229

CORRESPONDENCE

- Complications of Ketamine. *Bertram E. Sears* 231
 State of Contracture in Malignant Hyperthermia. *George P. Hoech, Jr., and Gale O. Jones*, 231; *Richard A. Pollock*, 232

LITERATURE BRIEFS

- Drugs, 119, 157, 175, 192, 211, 214—Paraphernalia, 230, 233 234
