### SUBSTANCE ABUSE HOTLINE:

Contact the ASA Executive Office at (847) 825-5586 to obtain the addresses and telephone numbers for state medical society programs and services that assist impaired physicians.

The mostly auspicious results of the 2004 elections have set the stage for anesthesiology's advancement in the political and public realms. ASAPAC had one of its best years, but a widespread group effort is still needed to achieve the specialty's potential.
